The “Employees Support In Skills” programme

We’re excited to announce a collaboration with Riverside Training and Always Consult Ltd on a fantastic European funded programme to upskill the workforce! Are you registered self-employed? Are you an employee of a company (including the voluntary sector) with 249 members of staff or less? Is your business based in a Shropshire, Telford and Wrekin or Herefordshire postcode area? You and your organisation *may* be eligible to access funding for personal development and staff training. To find out if you qualify and for more details of the courses below, please contact adrian@develop-meant.com or phone Ade on 07979 525 708.
